Community Safety Officer Training

The Touchwood Agency Tribal Council (TATC) is recruiting eight (8) candidates to participate in The Community Safety Officer Six-Week Induction Training. Upon successful completion of the training program candidates will tentatively go on to work with the TATC Peace Keepers Initiative.

Training Location: Saskatchewan Polytechnic, Prince Albert Campus

Training Dates: November 7th – December 16th, 2016 (6 Weeks)

Community Safety Officers (CSO) provide an additional option to enhance community safety, and support local policing agencies by addressing high priority, but low risk to harm concerns. Successful candidates of this training will go onto to employment as Peace Keepers within the Touchwood Agency First Nation communities tentatively scheduled to begin once training is completed.

Application Criteria:

- **Grade 12 or equivalent** (original transcript must be provided, copies will not be accepted)
- **Minimum age of 18 years old and physically fit**
- **Be of sound mind and good character**
- **No criminal record, no outstanding criminal charges and is not the subject of a criminal investigation**
- **A criminal record check, a police check and a vulnerable sector check must be completed and submitted prior to program start date**
- **Three references**
- **Treaty status resident of the Touchwood Agency geographical area**
- **Must be unemployed or under employed**
- **Driver's license and reliable vehicle**
- **Must relocate and find own accommodations for the duration of the training**
- **Must complete the funding application documents and case management process**

Successful applicants will receive funding for this training program for tuition, books/materials, income support and a one-time transitional assistance payment to help with relocation.

The Community Safety Officer Six-Week Induction Training must be completed before a CSO may be granted a Special Constable Appointment, which permits the enforcement of some provincial statutes. The following are required for employment:

- **Successful completion of the Community Safety Officer Training Program**
- **Successful completion of an approved physical abilities evaluation test**
