

George Gordon Developments Ltd.

CALL FOR BOARD MEMBERS

George Gordon Developments Ltd. conducts business, training and employment on behalf of the Nation. The following is the vision, mission, goals and mandate.

Vision for Economic Development

To be a leader in First Nations business development as a partner of choice while working to improve the quality of life our First Nation members.

Mission

The mission of the George Gordon Developments Ltd. is to create wealth and advance our self-determination on behalf of our community members through jobs, opportunity and economic ventures.

Goals and Objectives

- 1) To improve the quality of life for the George Gordon First Nation members;
- 2) To foster the economic self-sufficiency on the George Gordon First Nation;
- 3) To promote growth of the commercial sector;
- 4) To promote and facilitate the expansion of economic opportunities;
- 5) To promote George Gordon First Nation businesses and employment;
- 6) To provide effective resource management;
- 7) To establish corporate and management capacity;
- 8) To link business ventures to the George Gordon First Nation resources.

Business Principles

Accountable – We are obligated to take personal account for our actions and results while ensuring that we hold ourselves to a standard of sound ethics and resource responsibilities.

Transparency – Deliver on our commitment to value the involvement of our stakeholders through meaningful communication accompanied by the availability of full information when necessary.

Honesty – Our promise to conduct the affairs of the company with truth, accuracy and the highest level of integrity and professionalism in all aspects of our business.

Relationships – To be a quality corporate partner by embracing the relationships that we build within our community and our business so that these relationships are held at the highest regard of care, respect and trust.

Commitment to Action

Build on a business model that is focused on the creation of wealth and the development of viable business partnerships and ventures.

To work with our business and community partners with the commitment to open and truthful dialogue in order to build trusting, long-lasting and mutually beneficial relationships.

Develop capacity within the First Nation and George Gordon Developments Ltd. in order to grow and expand our participation in economy and meet our strategic objectives.
